

# Our Innovations 2025

Bended Basins

Zero Joint Basin

Induction

**At Capital Baths, innovation is our foundation, and Laveso – our premium line – is where art meets functionality.**

Our integrated facility is a powerhouse of design, engineering, and craftsmanship, empowering us to deliver a one-stop solution for all your interior needs. From premium **bathroom sanitaryware, tiles, and fittings** to fully **customized bathroom furniture, kitchen cabinetry, and vanities**, we redefine what it means to bring concept-based design to life.

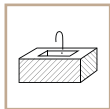

Step into a world where your vision is translated into **bespoke wall claddings, wardrobes, TV units, dining tables, consoles**, and more all curated to your taste and crafted with precision. At Capital Baths and Laveso, we offer **end-to-end solutions**, merging form with function to meet the evolving demands of modern living.

Experience the future of interiors, where **innovation, luxury, and customization** converge only at Capital Baths, powered by the artistry of Laveso.
