Our Journey: Laveso The Art

Since 2016, Capital Baths has led the way in the UAE and GCC by pioneering the Porcelain Counter concept. Our focus on innovation, quality, and design has shaped our success.

In 2020, after extensive research and development, we refined our porcelain counters and expanded our product range. This evolution gave birth to Laveso The Art, our premium line that blends conceptual design with practicality.

At Laveso The Art, we emphasize a concept-driven approach, creating designs that are both beautiful and functional. Our pieces are tailored to meet the unique needs of each client, from bathroom vanities to kitchen counters.

With our own factory and showroom, we collaborate with designers and fitout companies, offering bespoke solutions that elevate any space.
